### It Takes a Planet Join Team Earth

Climate change threatens our planet. It will affect all living things: plants, animals and humans. Every single person is born on to Team Earth. It will take all of us to protect our planet.

We care about the future of our planet.

~Yammit, Israel  
ePals Student

Learn the issues. Understand the solutions. Change your actions. Become an active member of the team.

Together we are born onto planet Earth. It takes a planet. Are you in?

**Join Team Earth.**

## 2

### Get a Code Put Your School on the Map

Students, teachers and classrooms around the world are joining Team Earth. Check out our interactive map to find your school's code. See which schools from your state or country have joined.

Encourage kids at your school to join. Get your school on the leader board. See what kind of difference you can make.

Everyone can fight for a better climate.

~Thomas, Norway

### Students Speak Contest Countdown to Copenhagen

World leaders are meeting in Copenhagen to discuss a global plan for climate change. Let them know that kids care about their planet and want to take action to stop climate change.

Enter ePals Students Speak Contest! Share your advice and opinions with the world. Winning entries will be shown at the Copenhagen Climate Summit.

This is a problem our generation must solve.

~Chloe, USA  
ePals Student

Raise your voice to stop climate change. Together, we can make a difference.

**Let Your Voice Be Heard!**
